

PROVIDER MEETING ANNOUNCEMENT

Join Community Care, Inc. and Waupaca County Department of Health and Human Services for a discussion about the upcoming transition of services currently offered through Waupaca County Industries:

- Prevocational Services
- Day Services
- Supported Employment Services
- Transportation Services

Community Care, Inc. will be issuing a Request for Proposals to identify and select a new provider(s) to assume operations and transition services no later than December 31, 2017. The purpose of this meeting is:

- To provide information and answer questions about the current operations of Waupaca County Industries including day-to-day operations, rehabilitation services and data on participation, production contract information, physical plant, transportation, and employment information. *(NOTE: A tour of Waupaca County Industries in Manawa will be provided at 4:15 following the meeting.)*
- To seek suggestions and ideas from existing providers on models of service to enhance and align with the direction of Division of Vocational Rehabilitation and goals of competitive, integrated employment.
- To seek suggestions and ideas from existing providers on models of service for day programming for individuals who do not have employment goals.
- To seek suggestions and ideas regarding efficient transportation models in a rural area to meet participant needs related to employment and day programming.
